TDU Delivery Charges include monthly recurring charges that are passed through to you without markup or may be bundled with your Energy Charge or Base Charge, depending on your plan. The charges displayed here reflect the overall monthly recurring TDU service area standard charges used for price calculation. The “TDU Delivery Charges per kWh” amount will vary each month depending on your monthly kilowatt-hour usage. TDU Delivery Charges are subject to change. For more information, including about TDU nonrecurring charges and TDU special charges, see the “TDU Delivery Charges”, “Pricing” and “Change in Law or Regulation” sections of the Terms of Service.

Los cargos de entrega del TDU incluyen cargos mensuales recurrentes que se transfieren a usted sin recargo, o pueden sumarse a su Cargo por energía o Cargo base, según su plan. Los cargos que se muestran aquí reflejan los cargos estándar mensuales generales del área de servicio del TDU utilizados para el cálculo del precio. El monto de "Cargos de entrega del TDU por kWh" variará cada mes según su uso mensual de kilovatios-hora. Los cargos de entrega del TDU están sujetos a cambios. Para obtener más información, incluidos los cargos no recurrentes del TDU y los cargos especiales del TDU, consulte las secciones "Cargos de entrega del TDU", "Precios" y "Cambio en la ley o la regulación" de los Términos de Servicio.
